INVENTOR CLAIM FOR
SMALL ENTITY STATUS

Q61599 PCT/SE99/00792

Each of the undersigned inventors hereby declares that he qualifies as an independent inventor as defined in 37 CFR 1.9(c) for purposes of paying reduced fees under Section 41(a) and (b) of Title 35, United States Code, to the U.S. Patent and Trademark Office with regard to the invention described in the specification filed herewith, and with regard to the invention disclosed and claimed in the attached application:

- CHECK ONE
- (X) - none of the undersigned inventors has assigned, granted, conveyed or licensed any rights therein, to any person, concern, or organization and is under no obligation by contract or law to assign, grant, convey or license any rights therein to any person, concern or organization, or
- () - although at least one of the undersigned inventors has assigned, granted, conveyed or licensed or is under obligation by contract or law, to assign, grant, convey or license rights therein to _____ whose address is _____
- said recipient of said rights is either
- (a) a person who could be classified as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or
- (b) an organization which would qualify as a small business concern under 37 CFR 1.9(d) and a verified statement from this organization averring to its status as a small business concern will be submitted separately in accordance with 37 CFR 1.27.

Each of the undersigned persons acknowledges his duty to file, in this application, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate (37 CFR 1.28(b)).

Each of the undersigned persons hereby declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon, or any patent to which this verified statement is directed.
